Miss Walker,
This past semester
has been, as you know,
the greatest I have ever
spent at Bakersfield High
school. You are quite an
outstanding and very
wonderful individual, and
next year will be just as
enriched. Best wishes to you in
love Always, Peggie "

P.S. "Truth is beauty and beauty
is truth, that is all ye
know in life, and all ye
need to know!"

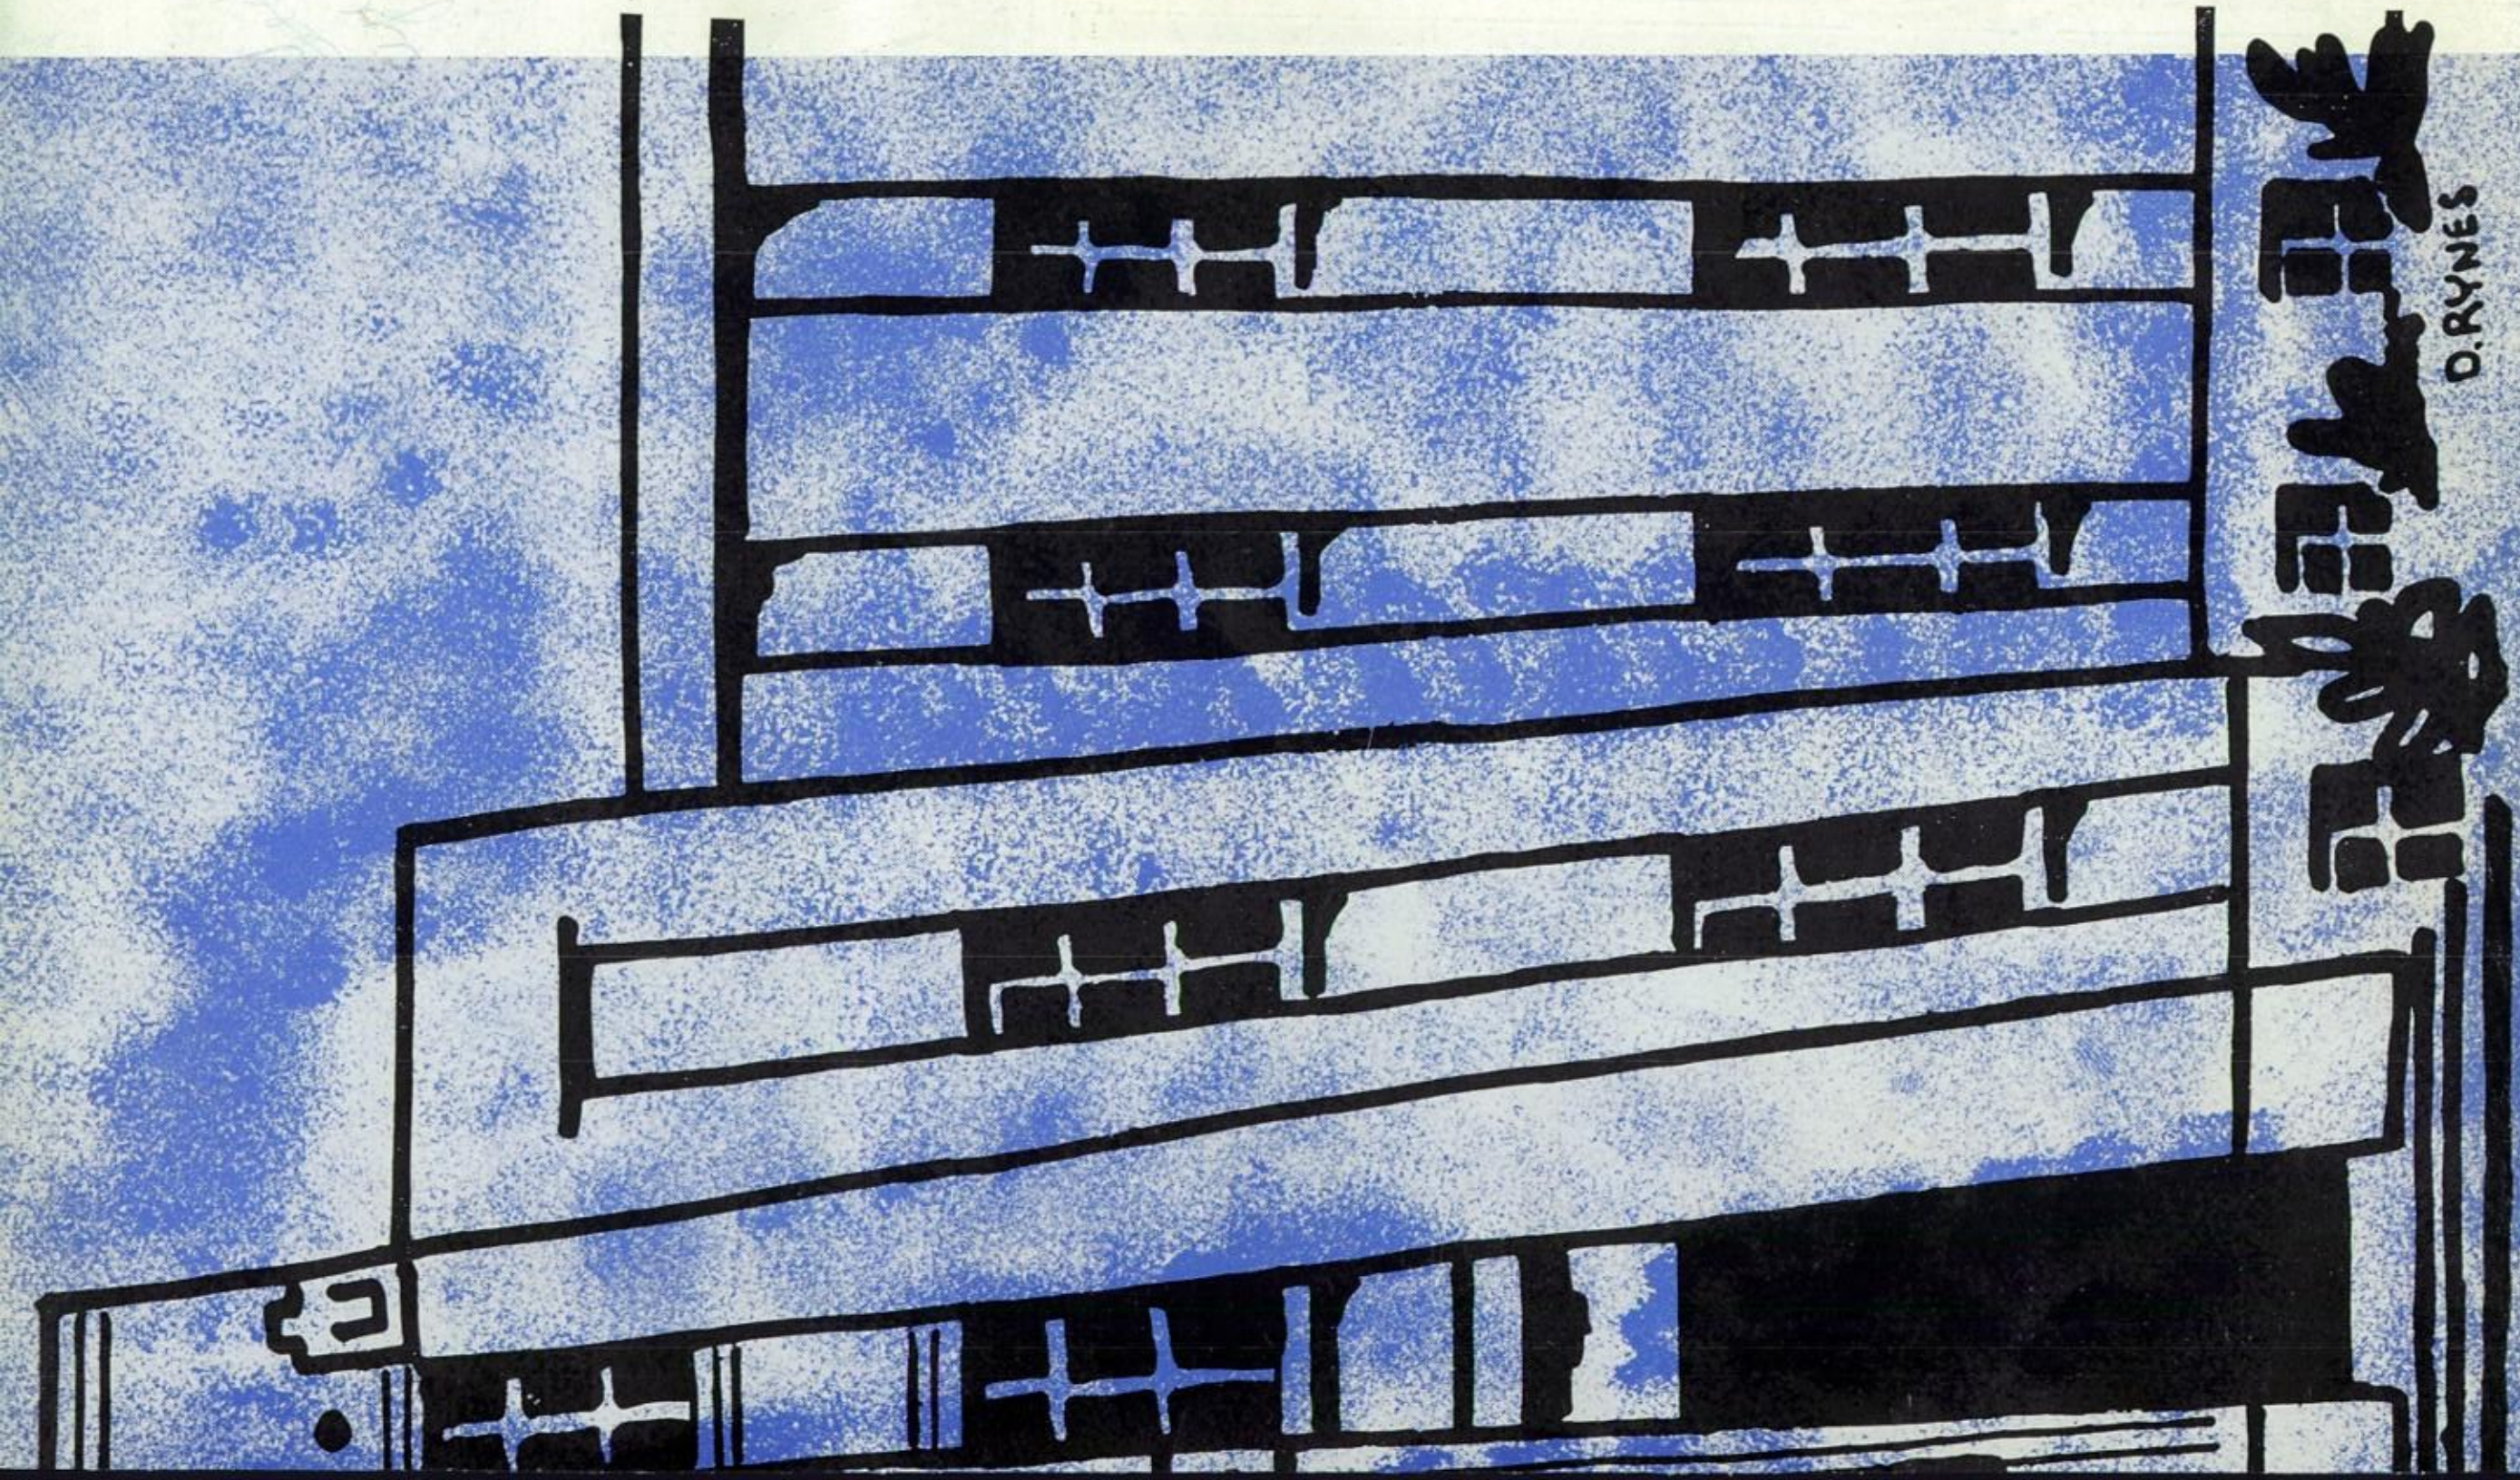
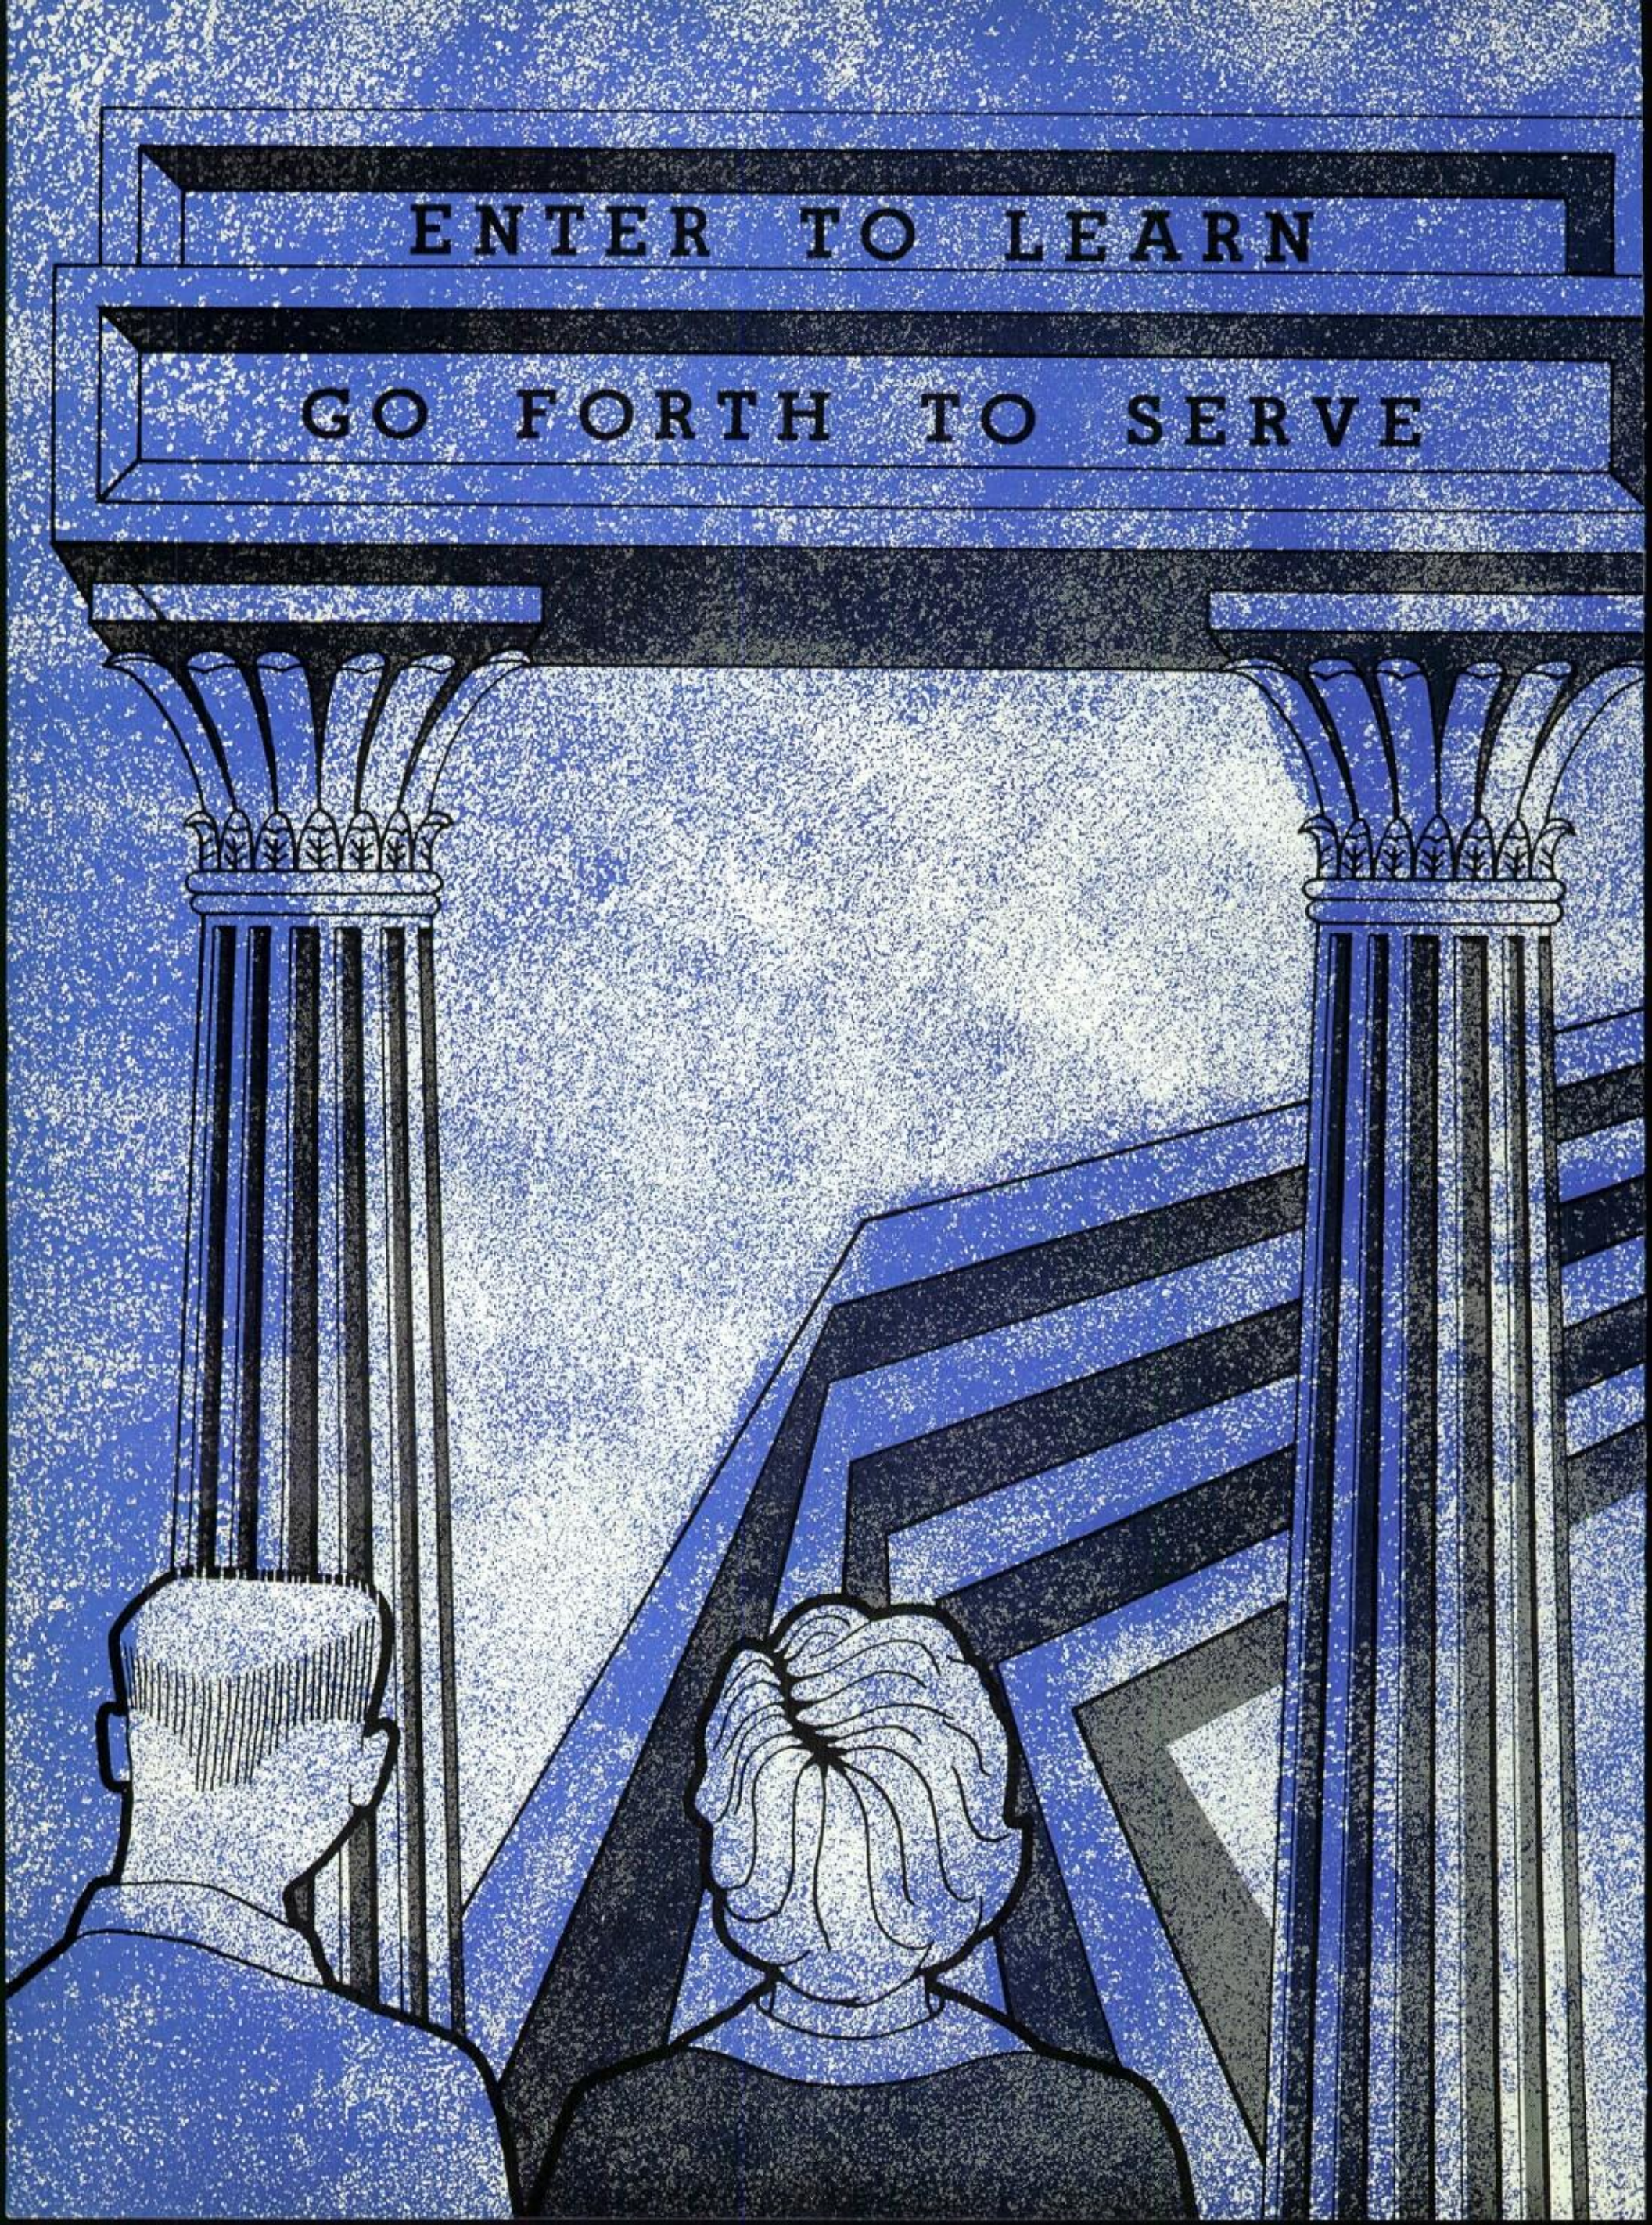
1963 Oracle





ENTER TO LEARN
GO FORTH TO SERVE

Enter to learn, go forth to serve; these words sum up the goal of the students of Bakersfield High School. During the four years spent at Bakersfield High, a student develops his intellect and his personality through his study of academic courses and his participation in social activities.

The familiar buildings on the campus are symbolic of the learning and development of the students, for it is in these buildings that the learning takes place. The doors to these buildings are opened by the administration and faculty, who guide each student on his journey towards knowledge. The student emerges from Bakersfield High fully prepared to go out into the world to serve his community and his fellow man.

"The vocation of every man and woman is to serve other people."

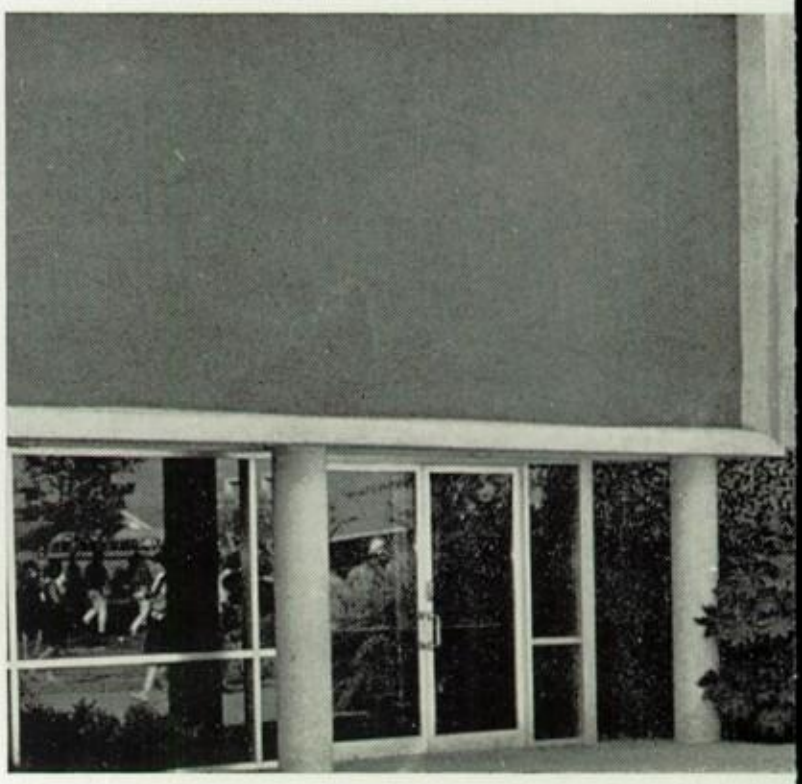
Student activity revolve

Harvey Auditorium, seating nearly 1600 people, was used by community and school organizations for activities.

HARVEY AUDITORIUM was the focal point for cultural and educational events for the student body, as well as the community. Musical concerts, plays, and lectures were given in Harvey. Student assemblies were attended here also.

The pungency of formaldehyde, and the explosions from the chemistry labs were familiar in the SCIENCE BUILDING. Science students appreciated the new lab and lecture facilities.

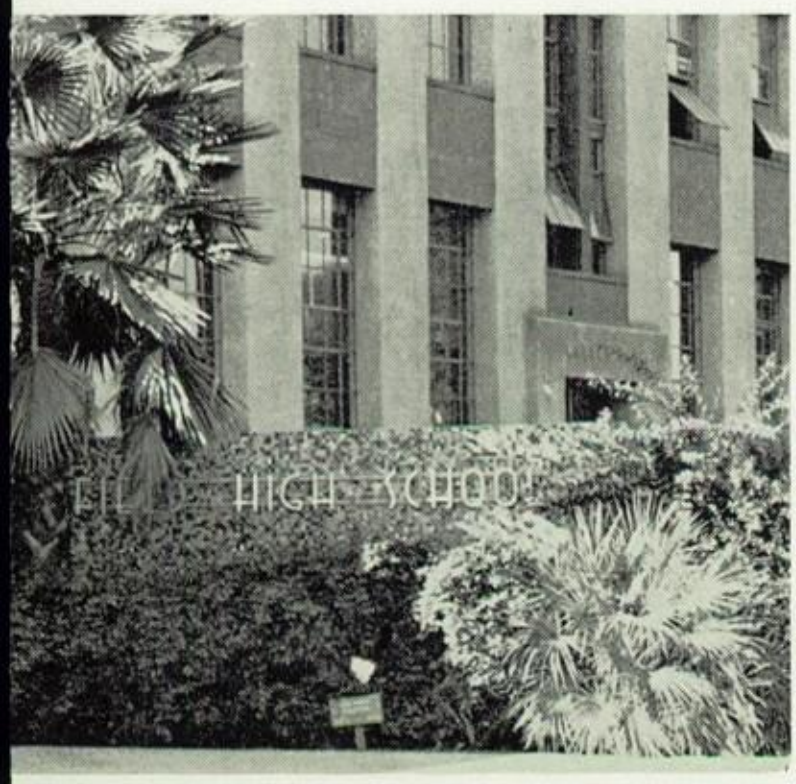
The Administration Building housed the Principal, Assistant Principals and Counselors.



With its contemporary modern design, the ADMINISTRATION BUILDING was a most attractive and familiar sight on the campus of 1963. It was considered the heart of the campus, for it housed both the Administrative offices—those of the principal, assistant principals, and counselors—and the student offices of government and business. It served also as a center for counseling, registration, and student welfare.

The Science Building in use since 1961 was the home of the Science Department.

round the campus buildings.



WARREN HALL was the hub of the sprawling Bakersfield High campus, the center of English, foreign language, mathematics, and business education classes. Here, throughout a school day, surged the aspiring BHS students, always mindful of their respective careers.

The new addition to our wheel of activity was SPINDT HALL, dedicated by the class of 1962, honoring our former principal, H. A. Spindt.

Most art classes and the modern library were found in Spindt Hall.

A multitude of students surged through the halls of Warren Hall to their classes of English, foreign languages, and mathematics.

Lively students pouring into the building were the very spirit of Warren Hall.

Students' activities revolve

The gym was the bustling center of sport activities.

Students worked hard to keep the Quad clean because campus pride was foremost in their minds.

Amidst a ring of campus buildings, ELM GROVE provided a sanctuary for the hastled, hungry student. With continual threats, pressures and reminders, Bakersfield High School students affirmed their campus pride by improving the appearance of Elm Grove.

Focal point of physical activity, the GYM was the site of health and physical education classes, basketball games, and wrestling matches.

The STUDENT STORE, managed by Jerry Smith under the supervision of Mr. Dennis, provided a convenient place for students to purchase school supplies inexpensively. An assortment of soft drinks, sandwiches, and candy could be purchased before school, during lunch, and after school.

The QUAD, centrally located on campus, served as a congregating place for students during their noon hours.

Elm Grove, traditional hub of social activity, reflected the seasons of the year for students.

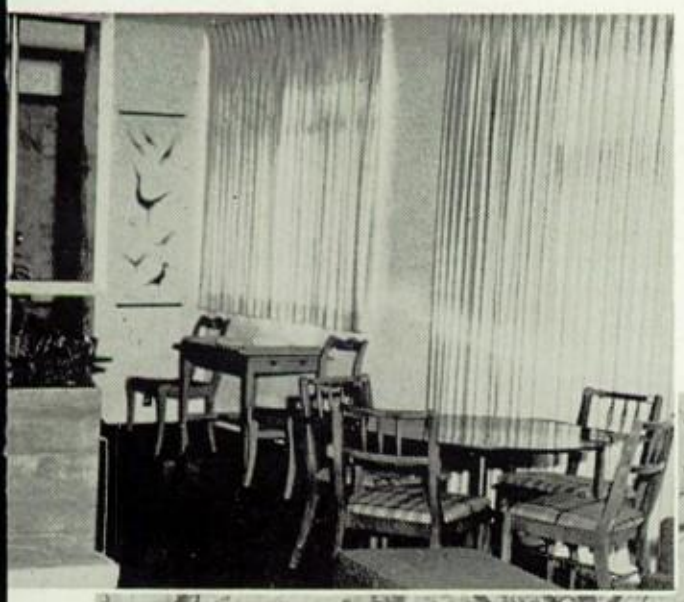
round a variety of locations.

Besides serving the students nutritious lunches every day, the CAFETERIA was used for dances, meetings, and banquets.

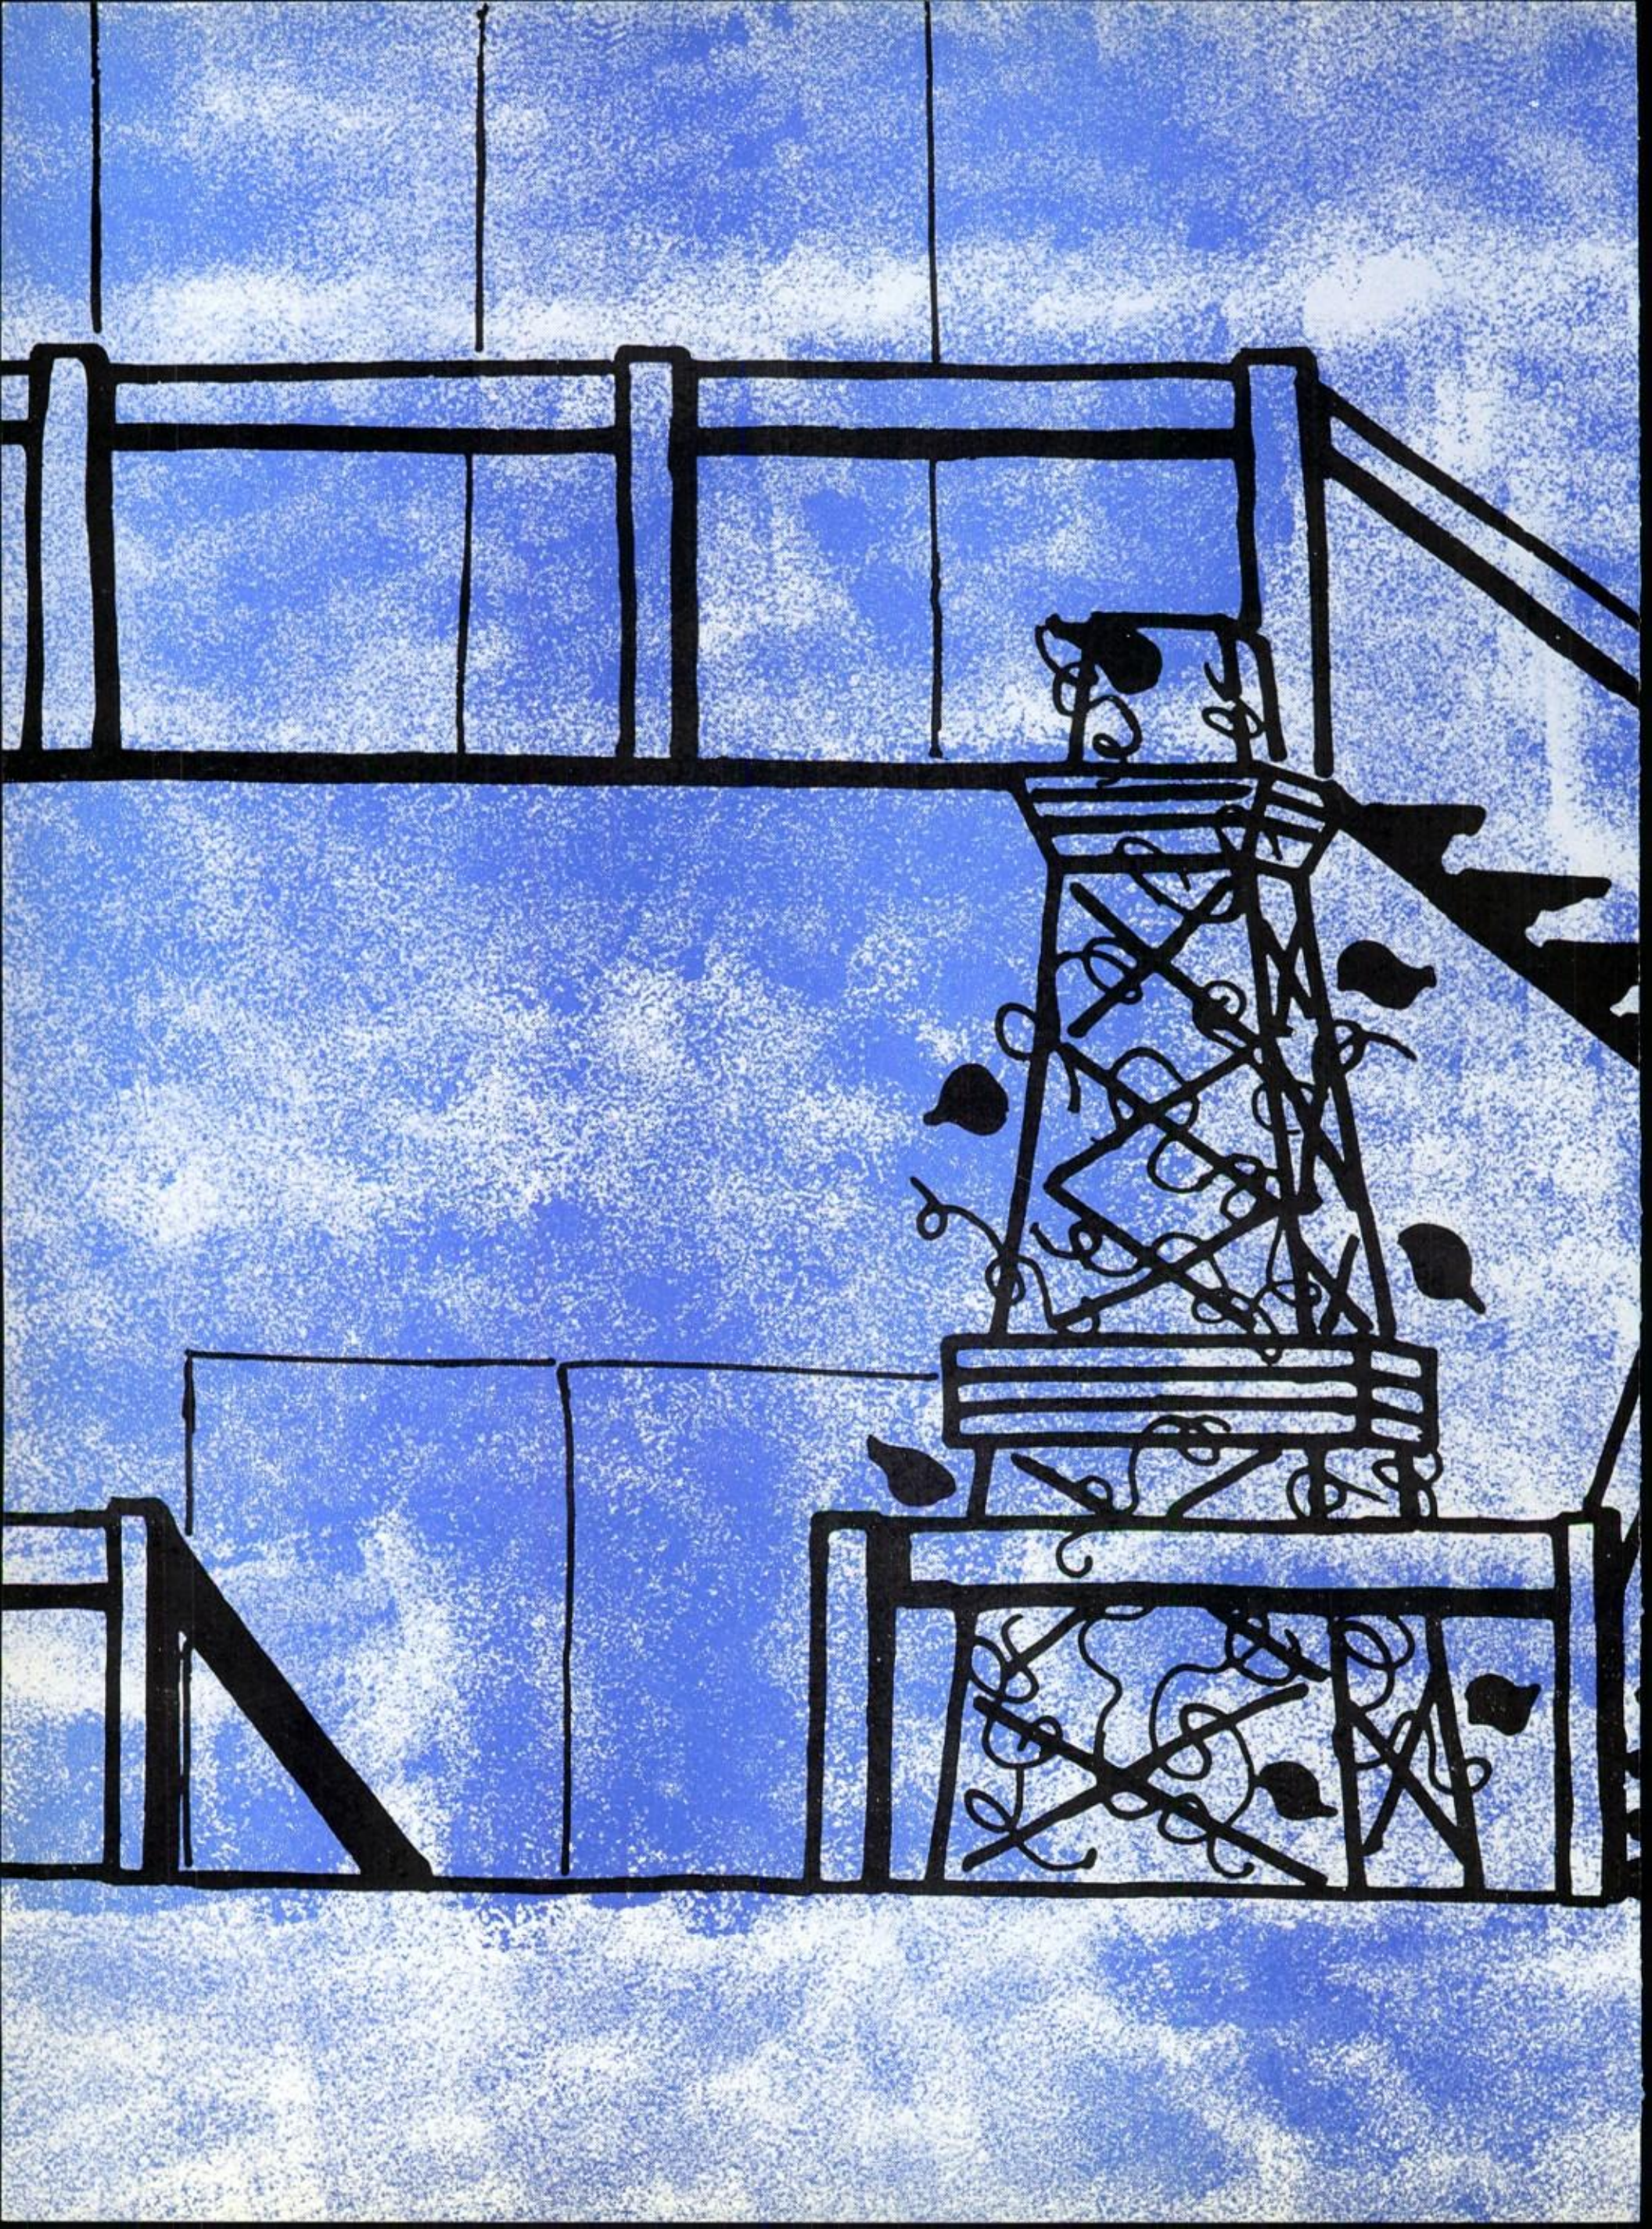
Through the doors of the CAFETERIA students clamored to get their share of food and fun. During the course of the year the Cafeteria was also used for many extra activities.

LUDDEN HALL was the center of activity for those talented girls interested in the vocation of Home Economics. Here they learned the skills vital to their futures as homemakers.

e beautiful apartment of Ludden Hall was the center of activity for homemaking students.



Future homemakers daily pursued their interests of sewing, cooking, and other homemaking skills in Ludden Hall.



ADMINISTRATION

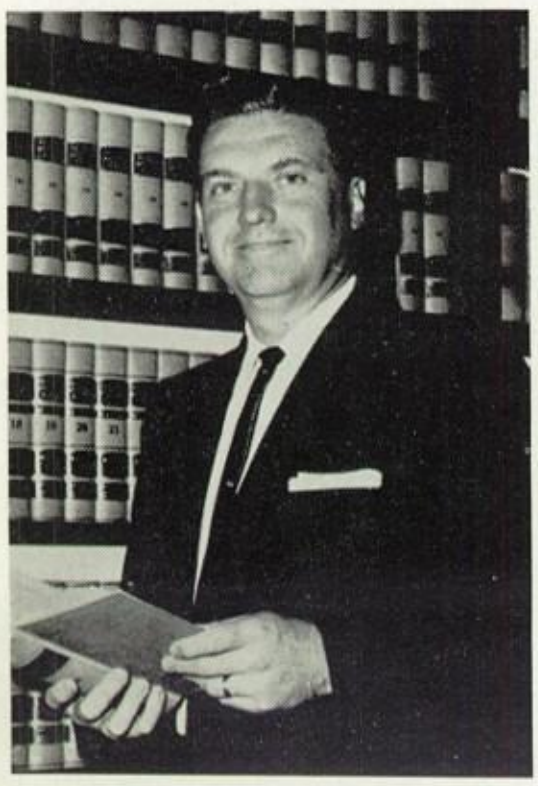
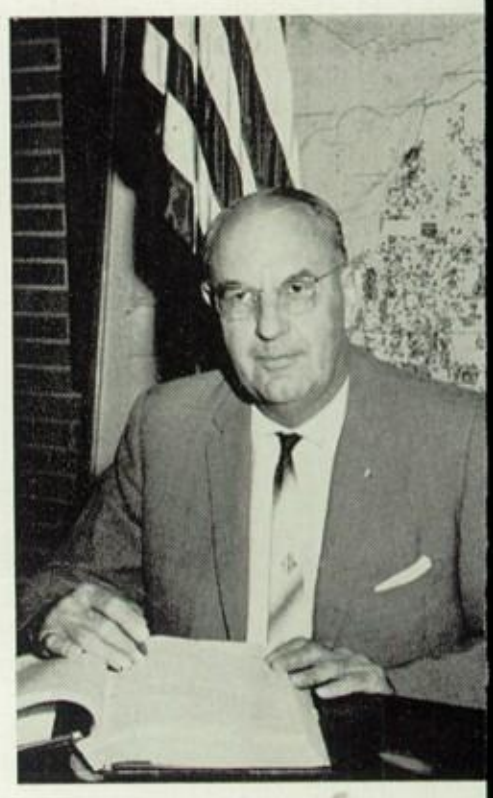
Theron McCuen, District Superintendent

Mr. Theron L. McCuen, DISTRICT SUPERINTENDENT, Kern County Union High School and Junior College Districts, was the administrative officer and professional advisor to the Board of Trustees. He served as Secretary to the Board, and was responsible for carrying out the Board policies relating to the general operation of the Districts' schools.



Mr. M. Glenn Bultman, member of the legal firm of Dorsey, Bultman and Bianchi.

The BOARD OF TRUSTEES was made up of five members. Representative of different vocations, these men donated their time and energy to make the eleven schools under their jurisdiction among the best in the nation. They had the responsibility for school district finances, employing personnel, adopting textbooks, arranging the annual budget and courses of study, and establishing all district policies.



Mr. Albert S. Gould, Consultant fo the Weapons Planning Group at Chin Lake.

Mr. W. C. Myers, Manager of the Bakersfield store of Sears Roebuck and Company.

Mr. Mark Raney, Manager of the Agriculture Division, Kern County Land Company.

Mr. Donald E. Ruggenberg, a Certifie Public Accountant.

tudents ascent inspired goals.

Dr. J. S. Wallace

Responsible for the total administration of the school, Dr. J. S. Wallace assumed his new duties ranging from construction of class schedules to controlling expenditures. To keep in close contact with the faculty he issued continued communications to all staff members.

Dr. Wallace received an honorary life membership pin from P.T.A. from Mrs. Sisk at the P.T.A. spring luncheon.

Bakersfield High School had three ASSISTANT PRINCIPALS this year. Mr. Herbert Martin, in charge of administrative services, was assisted by two former counselors. Mr. Kenneth Robesky supervised the curriculum, and Mr. Carl Berra handled the pupil-personal services.

Miss Eloise Nelson
Mr. Donald Lucas

The new DEAN OF BOYS at Bakersfield High School was Donald Lucas, He aided the Assistant Principal in Charge of Administrative Service in the guidance of boys in his special file and assisted law enforcement agencies.

Miss Eloise Nelson, DEAN OF GIRLS, resumed her responsibilities. She guided the girls having serious problems, kept a special attendance file, acted as Scholarship Chairman, and handled the selections of other awards presented to the Seniors.

Mr. Glendon Rodgers

Mr. Glendon Rodgers, last year elevated to the distinct position of DEAN OF STUDENT ACTIVITIES, kept Bakersfield High School running smoothly. Included in his many responsibilities were coordinating student activities, serving as a member of the principal's administrative staff, and assisting in the publication of the Driller Way. Throughout his career as a teacher and counselor, Mr. Rodgers' interests were also attracted to the writing of text books.

Miss Bonnye Deal

Mr. Elwood Leapley

Bonnye Deal was the DIRECTOR OF TESTING at Bakersfield High School. She devoted her time and efforts to planning and administering the tests given to the students. Miss Deal supervised the administration of aptitude, vocational-interest, and achievement tests. She also gave individual tests for special counseling problems.

The SUPERVISOR OF ATTENDANCE AND WELFARE at Bakersfield High School was Elwood Leapley. Mr. Leapley worked for the well-being of the students in many ways. He was responsible for keeping undesirable people from our campus, issuing parking permits, and assisting with the testing.

The role of the COUNSELING STAFF was a dual one. As advisors, counselors helped students arrange schedules according to their individual abilities and suggested extracurricular activities best suited to their interests. Guiding students toward graduation with job placement information and college entrance requirements were important parts of their tasks. In another capacity, a counselor was concerned with students' behavior problems, responding to teachers' referrals, tardy reports, and attendance records. In many ways the counselor was the liaison between school and home

Besides maintaining the students' records, the REGISTRAR'S OFFICE also issued the honor roll every six weeks, cleared sports eligibilities, and provided official transcripts for transfers and graduates.

The ATTENDANCE SECRETARIES assisted the counselors, kept attendance records, made out readmittances and off-campus slips, and compiled monthly reports for the state.

Efficient handling of school finances was the major concern of the BUSINESS OFFICE. The safe keeping of club funds and the sale of insurance and various tickets kept its personnel especially active. Additional task of this office, which served our school so well, were cashing checks, making change, and ordering school supplies.

NURSES Lillian Howen and Ione Bailey kept the students of Bakersfield High School healthy and happy throughout the school year. Most important of their duties as health supervisors was readmitting students after three days of absence, handling the medical records of students, and administrators first aid when necessary.

Lowell Nelson, Supervisor of Audio-Visual Services, Alice Fair, Secretary.

Reel after reel of film, tape, and motion pictures were maintained by the VISUAL AIDS DEPARTMENT. The quick assistance of the department's trained members kept varied materials constantly in motion, providing excellent information and guidance for students. A visual record of school events was but one additional service of this active department.

The LIBRARIANS' role in the students' academic life was an important one. Book checkouts and careful, convenient organization of the books and card catalogue consumed much of their time. However, they served even further by compiling book lists and ordering current literature.

Caucuses flooded Senior Class Council with the arrangement of the last social functions.

Under the leadership of Mike Regan, SENIOR CLASS COUNCIL made plans for the final activities which the class of 1963 would sponsor. Money was raised for the last gala affairs by a dance, which kicked off the after-game recreation of the football season. In the remaining days of their high school careers the upper classmen were busy with preparations for the most elaborate event of the year—the Senior Banquet, "Through the Looking Glass." The last social function, at which all seniors were present, was the Whing Ding. With the cooperation of the PTA the all-night dance was a welcome refuge after the trying ceremony of graduation.

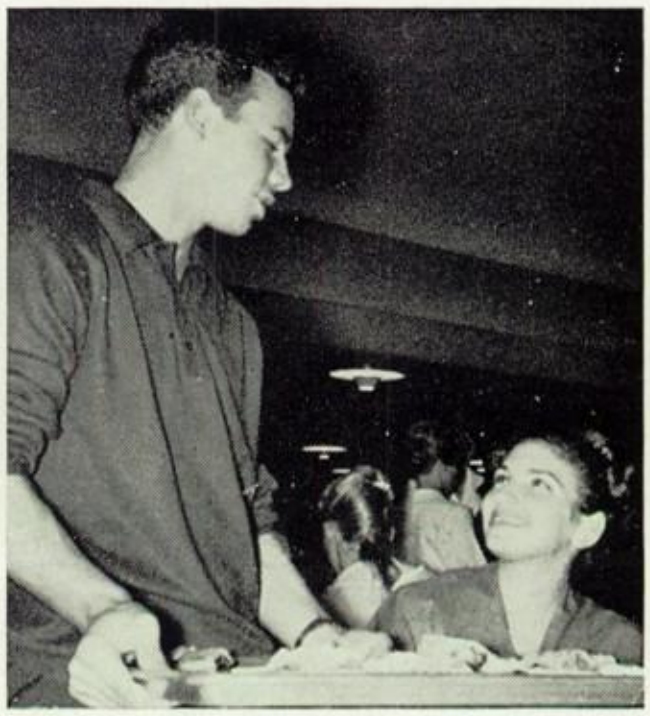
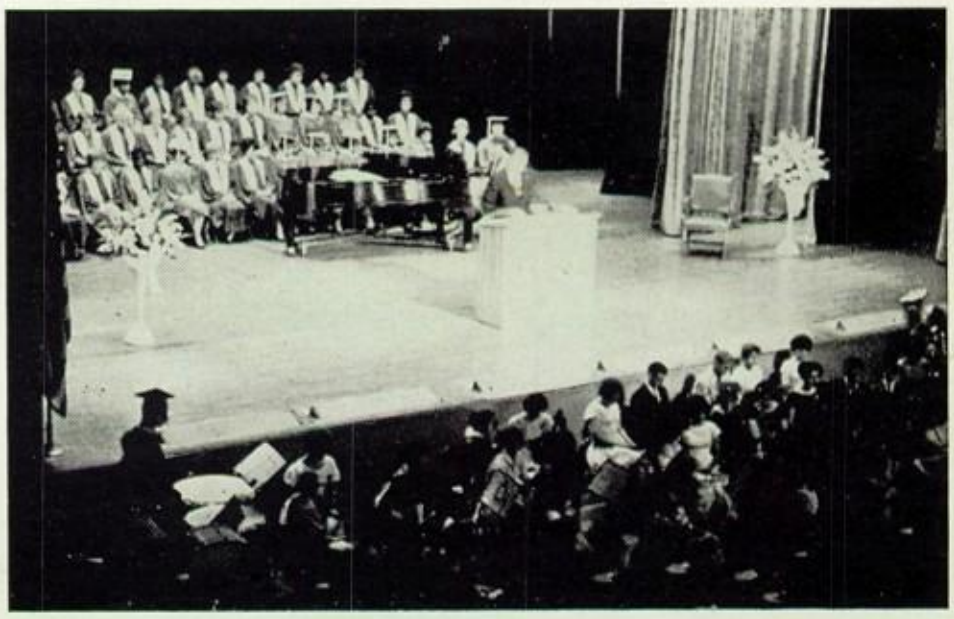
ith activity and study.

Honoring the students of Bakersfield High School with their presence were Bertrand Harsch from Switzerland and Adria Manon from the Dominican Republic. These FOREIGN EXCHANGE STUDENTS were selected on the basis of personality, poise, and scholastic standing by the American Field Service. Making their homes with prominent citizens of our community, they brought with them customs and traditions of their countries, leaving our student body with a widened scope of life abroad.



Adria Manon and Bert Harsch discovered the many facets of American life.

The Senior Banquet signaled the "beginning of the end" for the seniors and started the parade of activities which were to follow. Baccalaureate inspired seniors to seek their future. Bringing on a feeling of nostalgia, the Farewell Assembly was the last time the student body was united. On Class Day seniors collected memories and signatures as they signed Oracles—for the last time. Graduation brought mixed feelings of sadness and joy, but the seniors soon realized that graduation was a beginning, not an end. The last BHS activity for seniors was the Whing-Ding, following graduation. These activities helped the seniors preserve memories of BHS.



Seniors anticipated Baccalaureate service with mixed emotions.

An impressive Graduation ceremony culminated four years of toil, tears, and joy at BHS.

The Freshmen helped those who could not help themselves.

The Class of '66 firmly established itself in student government and began preparation for its future at Bakersfield High. FRESHMAN CLASS COUNCIL'S major project was care of the school seals, yet it also served by sponsoring dances, noon sales, and various seasonal activities.

The BOY'S TENNIS TEAM, which practiced daily at the Racquet Club, was composed of sixteen members, six of whom were returning lettermen. Early in the year, the season prospects were bright, with only two rather difficult matches against Santa Barbara and Redlands. Among the best players on the team were Bill Davidson, John Rainey, John Anderson, and Richard Bruce.

Seven of the ten members of the GOLF TEAM were returning lettermen. Early in the season Coach Duane Anderson stated that three or four boys looked promising, but that it might be difficult to defend the Valley Championship. The Driller golfers matched talents with South, North, Garces, Shafter, and Foothill High Schools.

Year 'round sports—ticket

South Yosemite League opponents cringed and fell when the GIRL'S TENNIS TEAM from Bakersfield High School proved masters of the court. Adept at both offensive and defensive strategy, the raqueteers scored success with an undefeated season. Taking first honors in the singles was Kathe Anderson followed in order by Nancy Hart and Kris Frederickson. Bringing glory to Drillerville in the doubles matches were the teams of Barbara Langston-Frances Conrad and Penny Bellamy-JoEllen Lake. Coached by Miss Young, the netters practiced for hours a week in preparation for a meet. Victories copped by BHS were the result of great team efforts, a desire to win, and inbred skill, and provided a thrilling season for all tennis fans.

The Varsity Boys' SWIM TEAM was the most powerful group of swimmers BHS has had in many years. The team had considerable depth, with two or three excellent swimmers in all the events—freestyle, backstroke, breaststroke, butterfly, and the difficul combination of all the strokes—individual medley. Early in the season the prospects of a league victory were bright. We had strong B and C teams, and many reserves. This year, the reserves trained in a heated pool for part of the season.

"Swimmers to their marks—Go!"

Through long hours of practice and daily workouts the GIRLS' SWIM TEAM was able to rank high in swim competition for the sixth straight year since their formation in 1958. The thirty-two energetic members held a car wash to raise money for the purchase of new swim suits. To obtain membership girls needed to fulfill grade requirements, have swimming ability, and have a desire to swim competitively.

The 1963 FROSH BASEBALL TEAM, according to Coach Fred Laningham, was a "very good group of boys who were good athletes as well as students." Coach Laningham felt his boys had an exceptional possibility of repeating as league champs for the year if they beat the North High team. However, with a combination of "good fielding, hitting and pitching," the Frosh were able to acquire a good position in the league.

The 1963 DRILLER BASEBALL TEAM proved to be one of Coach Sarver's most powerful teams. Throughout the spring season, the Drillers kept their "eye" on the South Yosemite League Championship and the valley title. When the gun sounded, the Bakersfield High School DRILLER SPRINT MEN and DISTANCE SQUAD left their opponents in a cloud of dust. Superior to other schools in the 440-yard run, the mile run, and the 880-yard relay, the runners chalked up a successful year with record-breaking speeds. At the beginning of the spring semester all boys interested in track events began the rigorous training which lead to conditioned legs and rhythm in breathing. To stimulate competitive spirit, the sprinters were made to run the track on Griffith Field and do calisthenics for thorough physical fitness. Never failing to win the race against time, the runners were enthusiastically supported by a proud student body.

Driller FIELD EVENT men combined expeditious effort and skill to acquire a leading position in the South Yosemite League. Among the various events vied for were: pole vault, high jump, discus, broad jump, shot put, and hop, skip, and jump. This year's team was one of the strongest in the SYL. At the first of the season, however, the muscle events were weak but with ambition and skill the Driller achieved a strong record in this event.

During basketball season, students flocked to the gym, verbally spurring on our Driller and Sandab teams. The gym vibrated with tense excitement as the final minutes of the game were counted aloud. The RIGGER BASKETBALL TEAM placed third in the South Yosemite League and of the ten games played, the D class totaled five wins. Although the team members were not gigantic, they were power packed and full of determination. Their games provided stirring excitement as they resounded with the crowd's fervent yen for victory. Next year's team must strive for comparable superiority.

Completing the South Yosemite League season with a record that included four wins and six losses, the SANDAB BASKETBALL TEAM finished in a tie for fourth place in the League. Speed and skill were the major strengths of the team, while the major weaknesses of the 'Dab team lay in defensive playing and rebounding. Inconsistencies were responsible for heartening victories over the first and second place teams and rough defeats at the hands of other teams.

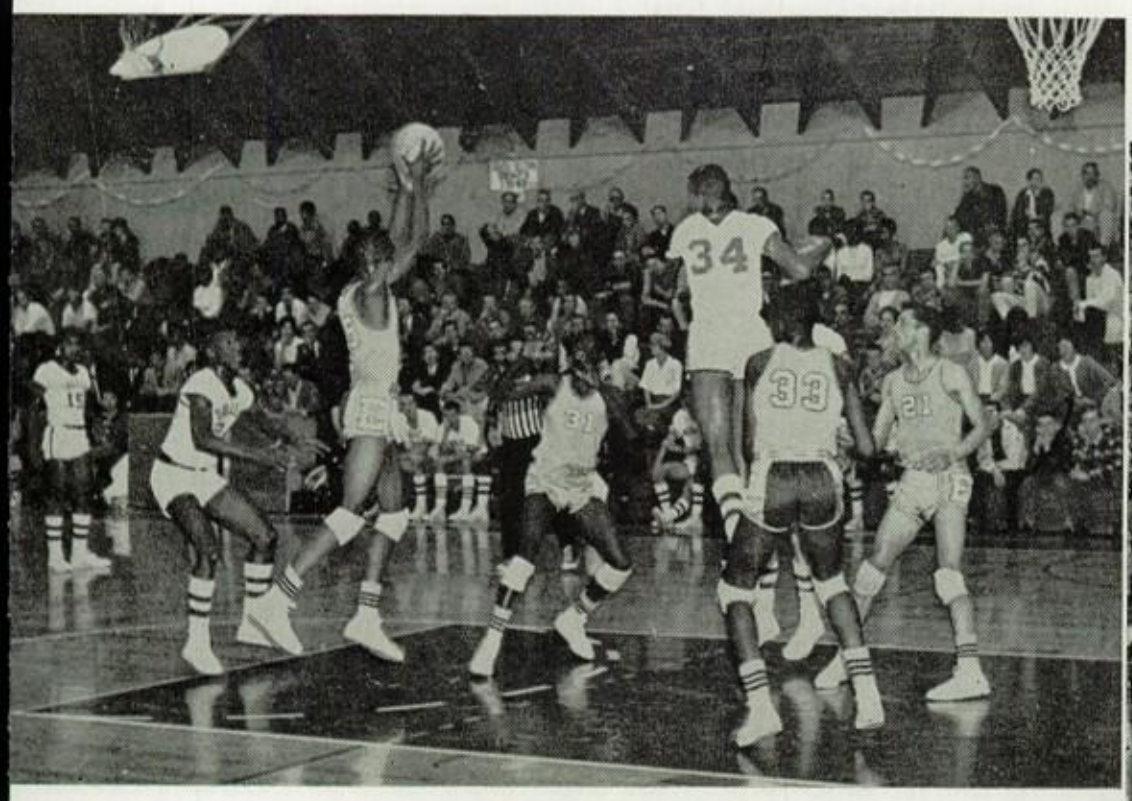
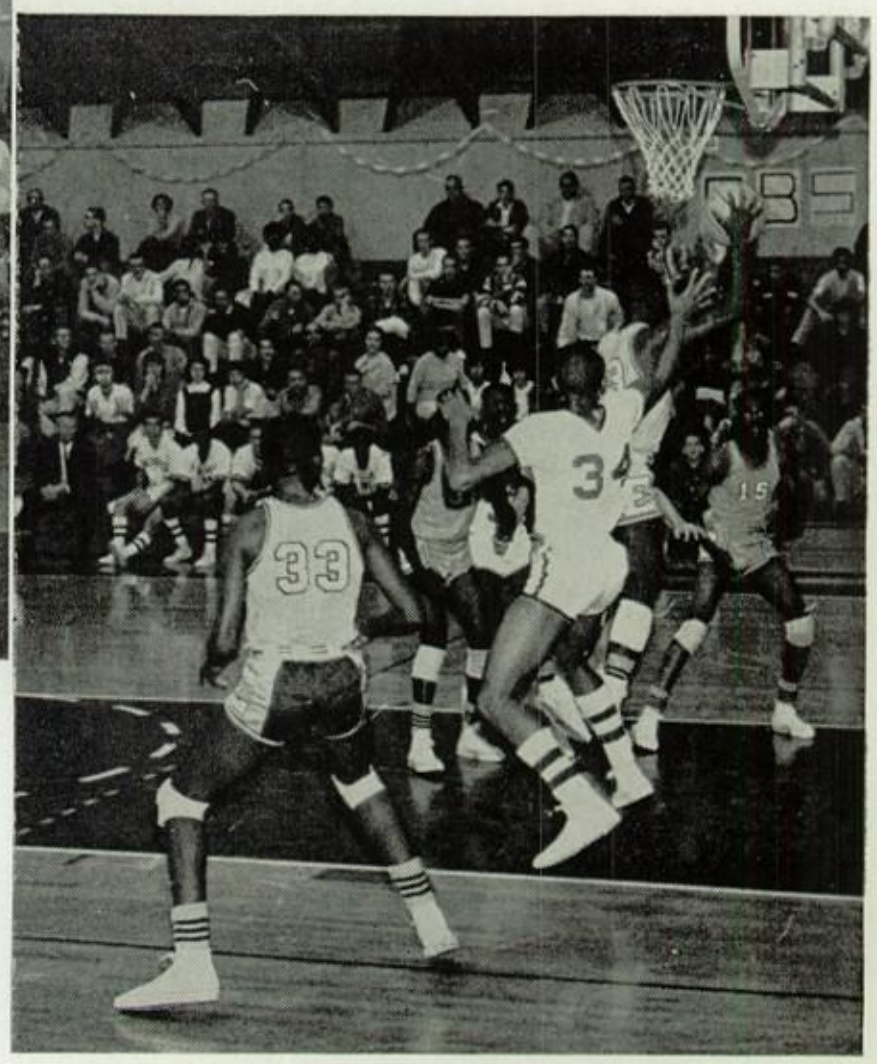
roved to be taller than team!





The mighty DRILLER BASKETBALL TEAM lived up to their reputation. The Drillers streaked through the 10-game SYL schedule without losing a single game. This was the sixth time in the last seven years that the Drillers have received the honor of being in the number one spot in the South Yosemite League. Teamwork, skill, and determination made this outstanding record possible.

CROSS COUNTRY running is a difficult sport which requires endurance, speed, and dedication. The squad is organized into three, seven member teams: Varsity, Junior Varsity, and Freshman-Sophomore. The team ran seven to ten miles every evening, and a total of well over 300 miles during the season. The Varsity, with fast runners such as Gary Blackmon and John DeLacruz, and the Junior Varsity, with speedy runners like Steve Allen, both won the South Valley league championship.

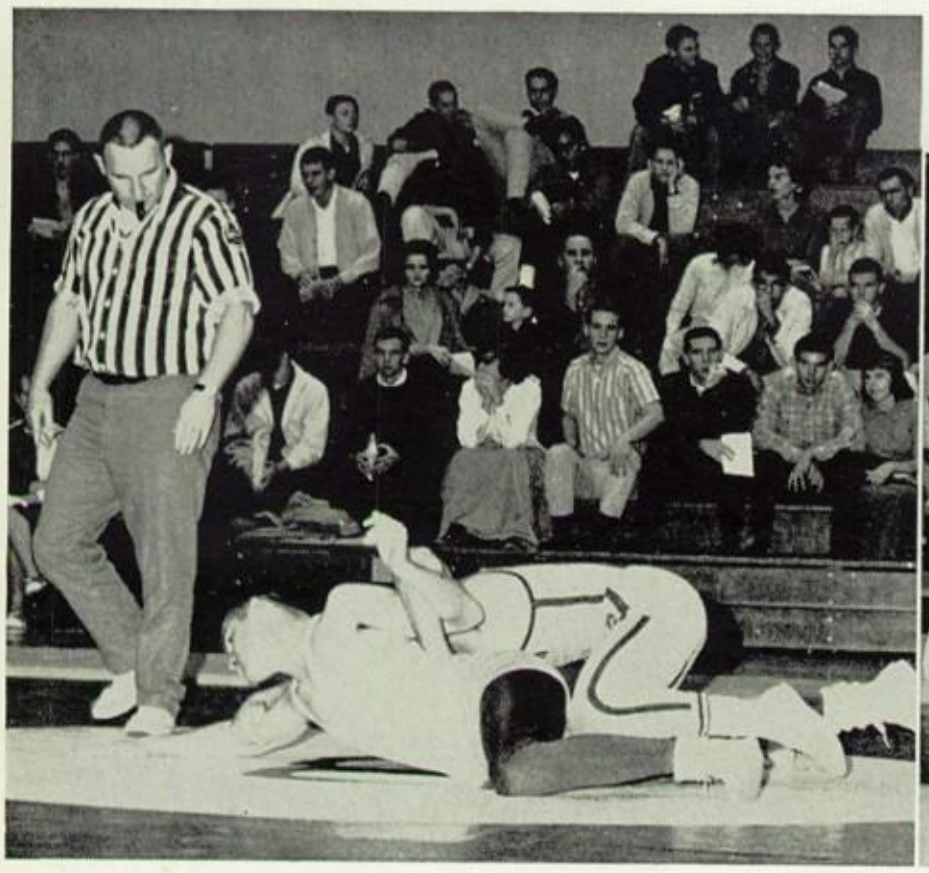
Matsmen displayed pinning skill.



Tense moments in a wrestling match caught spectators' eyes as a wrestler was about to be pinned.

The WRESTLING squad went through a rebuilding process after losing five seniors who were valley champions last year and opened the season with several out of town matches. The grapplers, led by Bill Harrelson and Danny McGill, team captains, finished with a six and four league record. The league finals proved too much for the matmen who took only four second and four third place meals and placed third overall in the league. However, Jay Bingham and Bill Harrelson came back the following week at the valley finals, held at the Bakersfield College this year, to place second and third respectively.

Lightweights—powerhouse of fury.

The ROUSTABOUTS finished the season with four wins and four losses, but they heavily outscored their opponents 139 to 80. The B Reserves' greatest achievement occurred in their final game when they defeated a strong East High team, 13 to 6. This year's team, with many very promising freshmen, had 66 members at the end of the season.

The BITS were undefeated except for a 7 to 0 loss to South High. During the entire season, only 20 points were scored against the Bits. Outstanding halfback, Ted Sesmas, averaged eight yards per carry. The C class team had 109 members and every boy played in at least one game. An average of forty boys played in each game.

The ROUGHNECKS completed passes against six of the eight contenders to face them. They kicked off the season with an impressive victory over Reedley. Coaches John Copley and Vince Sakowski then guided the team through clashes with Porterville, Foothill, Garces and Antelope Valley. The JV's entered into the intra-city competition with North, South, and East High Schools, and after racking up more points in each league game, the Roughnecks ran off the field with the championship. The season was sobered by the injury of teammate Bob Davis who served to be an inspiration for both gridiron and personal victories.

The SANDAB football team ended the season with a 5-2-1 record. Strong defense with plenty of hustle and spirit were the characteristics of the energetic 'Dabs. They started the season with four straight wins but came against Taft and lost 14-6. They came back the next week to beat North 14-7 but the following week lost to the crosstown rivals, East Bakersfield High. The season ended with a 20-13 win over Arvin. The 'Dabs had only 48 points scored against them.

Expert coaching and management helped the Sandabs throughout the football season.

The DRILLERS had a relatively successful season, winning twice as many games as they lost. Although the Drillers lost the city championship when they were badly beaten by our cross town rivals, they redeemed themselves when they defeated top-ranked Merced. The Driller team had considerable depth this year, with quarterbacks like John Francis and John Wyatt, and hard hitting halfbacks such as Art Dixon and Bill Alviso. John Francis was voted the most inspirational player.

Allen Austin, as Mr. Whiteside, and cast delighted the audience attending the Senior Class Play.

The SENIOR CLASS PLAY, "The Man Who Came to Dinner," was presented before enthusiastic audiences. The play depicted the humorous misfortunes of the Stanley family, who tried to please Sheridan Whiteside, their dinner guest, when he slipped on their doorstep, and broke his hip. Alan Austin portrayed with convincing skill and apparent ease the unwelcome visitor, a demanding, crotchety invalid.

The STUDENT BODY PLAY, "Auntie Mame," was presented on April 25 and 26. The play depicted the humorous antics of a charming and extremely wealthy lady of the 1920s'. Kathy Moore presented an outstanding performance in the lead role as Auntie Mame. The scenery for the play was very elaborate, including the Matterhorn in Switzerland and the Sphinx in Egypt.

Long and strenuous hours were spent practicing for the Student Body Play, "Aunt Mame".

Auntie Mame.....April 25, 26

A major part of the drama activities at BHS was the ONE ACT PLAY program. It had two features. One was the presentation of plays during the noon hour as a recreational activity. These noon plays were presented in order to give the beginning drama students practice in front of an audience. The second was the performance of plays for English classes. This part of the program was designed to give the students in English classes an opportunity to see the plays which had been studied in literature. Among some of the plays given for English classes were "Julius Caesar," "Antigone," and "Zone of Quiet."

The excitement of being snowbound turned into suspense when the students realized their only shelter was a haunted house. This one-act play, "Snowpound," was presented for the student body during lunch hour.

Two adventurous girls found that inexperience could be troublesome in the one-act comedy, "Teapot on the Rocks."

The Christmas story was depicted by elaborate tableaux.

the future.

Girls's and Boy's Inter-Racial Councils jointly presented their annual assembly, "A Date with Sal." The theme of the production was boy meets girl interwoven into various eras.

The scene opened in an ordinary classroom, as the teacher was discussing anthropology. Then the action began. The cry of the savage caveman was heard, as Mike Keese, and his cavewoman, Ann Lundy, re-enacted a typical prehistoric courtship.

The Age of Chivalry was then depicted as the knights, Rick Cole and George Polis, charged one another on their gallant steeds, witnessed by their maid of honor, Mary Ann Tietze.

The following scene was in Alaska, as the traditional girl's chorus line, dressed as penguins, waddled through their routine. The Eskimos, Bobococcomis and Saladodo, were portrayed by Nathan Jung and Marlene Tatsuno.

The final scene was the Roaring Twenties. Here, the audience witnessed some "trying" flapper girls, the boy's chorus line. Throughout each scene was exhibited other campus talent, dancers, singers, and tumblers.

The audience "roared" at IRC's conception of the "Roaring Twenties".

Students were reminded of the true spirit of Christmas as the beautifully produced annual Christmas assembly was presented.

Student Talent—looking gla

"Christmas Through the Great Masters" was the theme of the CHRISTMAS PAGEANT presented to the Student Body through the combined efforts of the music and drama departments. In selections from Handel's "Messiah" the Orchestra introduced the program in a burst of joy accompanied by the choral groups. Following the overture the living recreations of the Nativity portrayed were the Annunciation, Angels and Shepherds, the Nativity, Adoration of the Shepherds, Adoration of the Magi, and the Madonna of the Choir. During each scene a short, concise narrative to set the mood was given by Mr. Silverman. Familiar carols as well as classic hymns were woven into the background of the portraits by the blended voices of the Concert Choir, Advanced Girl's Glee Club, Madrigal Singers, and Chamber Singers. The presentation ended with the revered Hallelujah Chorus from "The Messiah". This program was proudly given to Bakersfield High School students on December 17, 18, and 19 and to the public on December 18.

The school atmosphere rose to its height during football season. Regular rallies climaxed a minimum school day as the entire student body poured into Griffith Field to exhibit school spirit and to witness various skits which promoted student's interest in the numerous athletic contests. The breakfast rally and exchange rally highlighted the football season by boosting the morale of team members for two of their most important games.

ighty Drillers, yes we are!

New Routines, including ones that were "twist inspired", highlighted the activities of the VARSITY AND APPRENTICE YELL LEADERS. The cheer leaders promoted spirit at all sports functions, encouraged the teams and thereby contributed to the Drillers' athletic success. The varsity and apprentice yell leaders were also influential in all pre-game spirit rallies and the noon serpentines. Working in collaberation with the Commissioner of Rallies and Assemblies the cheer leaders sparked enthusiasm of students and players. The varsity leaders also conducted an assistance program for the apprentice yell leaders.

The Apprentice Yell Leaders, Christine Harrison, Cheryl Underwood, Penni Poole, and Sandi Dykes, spread their school spirit over the campus.

The APPRENTICE AND VARSITY SONG LEADERS' school spirit spread throughout the entire student body. It was necessary for them to attend all the games, learn many songs, and also learn rules and regulations for football and basketball in order to correlate the songs with the action on the field. Their duties also included being active members in SRA Council and ASBHS Executive Board. Under their expert leadership the students sang to give the players more spirit, energy, and courage. A great deal of the credit for the outstanding showing of the athletic department could rightly go to the song leaders.

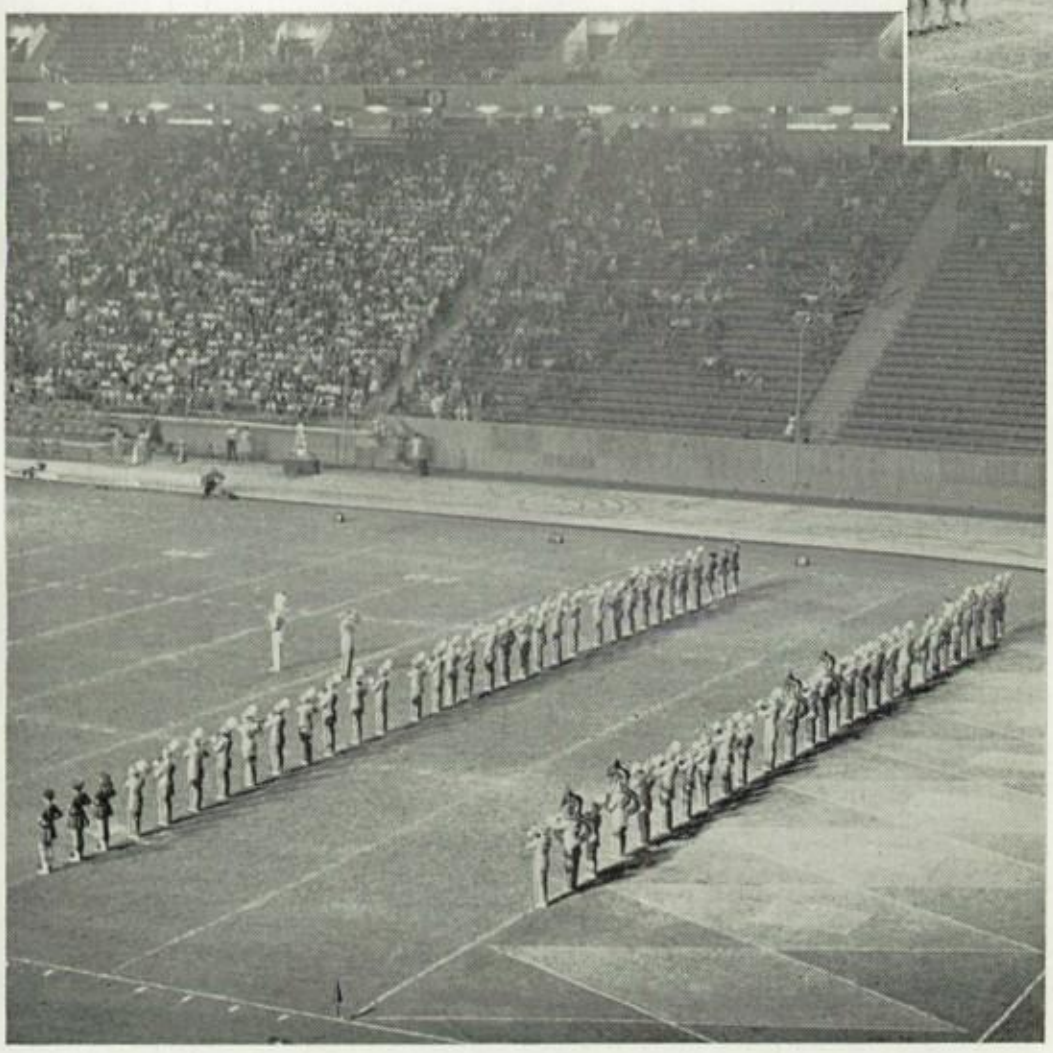
Drillerites issued a great big "HI" to greet the competing team.



Visting bands played with vim, vigor, and vitality during the half-time activities.

The Bakersfield High School DRILLER BAND was unsurpassed in the city of Bakersfield. The band attended the All Western Band Review held in Long Beach and based on their performance, were the only band at the review invited to march in Walt Disney's Christmas Parade through Disneyland. Following the Delano game, the band participated in the Delano Harvest Day parade. One of the highlights of the football season —the McLane game—was accentuated by the band's Benny Goodman performance.

Pat Dale, Miss BHS, reigned over Drillerville with grace, honor, and poise.

The magic date for Pat Dale, the 1962-63 MISS BHS, was November 9, 1962. John Lewis, ASBHS President, presented Miss Dale with the traditional engraved bracelet at the EB-BHS football game. After a panel of judges screened the numerous candidates, they chose three as finalists for their poise and personality. The student body then selected the final Miss BHS candidate. Serving as official hostess at school and civic functions as well as presenting the awards at the Sports Awards Banquets were the duties of Miss Dale.

DANNY AND DOTTY DRILLER, JIM GRAY AND NANCY SABONJIAN symbolized the spirit and traditions of Bakersfield High School. An election was held the previous spring to choose the boy and girl who could best represent the typical male and female rooters. Their duties included serving as the school's official host and hostess, being members of SRA Council, attending all football and basketball events, assisting the song and yell leaders in boosting school spirit, and adding the final touch to each football game by ringing the victory bell.

Progressing with the times the YWCA expanded to meet the needs of a growing community. A new location at Seventeenth Street and "J" Street opened new avenues to service and social projects with goals of redecoration, a gymnasium, and a swimming pool. The YWCA also maintained the Coffee Cottage, a joint money-making and get-together house, which served beverages and sweet snacks. The Cottage displayed local art exhibits for everyone's enjoyment. To discuss the year's events, delegates representing Bakersfield were sent to a conference held during the summer months.

The YMCA provided numerous worthwhile activities for interested teenagers. The "Y" members worked on the Heart Fund Drive, raised money to send children to camp, and devoted time and energy to Community House and patients at Kern General Hospital. Participation in athletics and social events was another integral part of the YMCA program. Tournaments in volleyball, football, and other sports were held. Dances, dinners, and bazaars were also frequent occurrences. Thus, the YMCA strove to uphold the high standards of Christian character.

Comprised of a select membership and headed by student body elected officers, the seven COMMISSIONS on the B.H.S. campus rendered immeasurable service to the school. Each commission was responsible for a certain facet of campus life with the task of coordinating those activities under its jurisdiction and advising student government on matters pertaining to its sphere. By handling their specific responsibilities as ordained in the A.S.B. by-laws, the commissions assisted in the efficient and effective management of student government.

Two students for each class council and one member of Shop Safety Club represented the Student Body at WELFARE AND SAFETY COMMISSION meetings. These students were conscientiously interested in the success and security of BHS.

The four class secretaries and the Student Body Secretary utilized the power of the STUDENT WELFARE COMMISSION to carry on all curricular correspondence.

INTERNATIONAL SCHOLARSHIP CLUB was organized to promote better relations among the youth of the world. In an effort to achieve this goal the organization worked in close affiliation with the American Field Service. The members sponsored an annual noon movie, donating the proceeds to the American Field Service fund. This fund was used in bringing a foreign exchange student to an American campus. The club publicized the student selected to represent B.H.S. abroad and welcomed foreign exchange students to our campus. The members of I.S.C. carried on continued correspondence with students in Bakersfield's sister city, Wakayama, Japan.

The members of STAGE CREW labored diligently on the production of all of the plays and concerts presented at Bakersfield High School. They worked on the building and painting of scenery, on setting up props, and on the lighting. To accomplish all of this the members worked sixth and seventh periods and, when necessary, on weekends and during vacations.

MISSILDYNES, only five years old, was composed of students having a deep interest in rocketry and the future. The members undertook the building of small rockets powered by CO_2 capsules. A failure never discouraged this group because each mistake gave them a valuable lesson. Safety procedures were followed during each launching. Noon sales helped the club acquire its necessary funds.

In addition to a fine band the Bakersfield High student prided himself on a distinctive DRILL TEAM. The drill team members spent much of their free time practicing precision and timing. As a result, the half time presentations were more enjoyable and pleasing to the eye for each and every spectator.

The students who took courses and used equipment in Industrial Arts discovered the SHOP SAFETY CLUB a pleasant necessity. In order to secure the maximum amount of conscientiousness while using all facilities the club ran a continuous campaign to attain that goal. They also aided in campus improvement programs.

Varied scientific talks and demonstrations were presented by members of the SCIENCE CLUB at weekly meetings. From Anacapa Island, destination of one of several field trips, students returned with representative wildlife and valuable observations. Dinner meetings with local scientists and guest speakers further composed this club's agenda. Through these and other activities, members had the opportunity to further their scientific knowledge and skills. Maintaining informative and appealing display cases in the Science Building throughout the year was Science Club's main service project.

FUTURE TEACHERS OF AMERICA enabled students interested in teaching to learn about their future careers. At the meetings speakers discussed the different aspects of teaching, and a foreign exchange student compared BHS with European schools. Visiting various grade school classrooms and aiding the counselors in registering the eighth grade students were their principal projects. A banquet with the other Kern County F.T.A. clubs highlighted the year's activities. In May a scholarship was presented to a Senior who was a member of F.T.A.

Through SENIOR SECRETARIES the members gained valuable knowledge for their planned careers. Speakers gave lectures on business practices, opportunities, and standards. The members were able to obtain secretarial experience by assisting the faculty. A senior standing and a secretarial major were required for membership. The club activities included the presentation of a scholarship, a Christmas project, and noon sales.

LOS AMIGOS, meaning the friends, tried to spread friendship and create better relationships among the students. The only requirement for membership was being of Mexican descent. The group sponsored their annual dance on April 19. In June they presented a scholarship to one of the deserving Senior members of Los Amigos.

HORIZON CLUB, one of the three divisions of Camp Fire Girls, concentrated on good works for their first year on campus. They helped guide the younger members of Blue Birds. Members also concocted numerous recipes using peanuts. Thus they boosted the annual Camp Fire Girls' Peanut Sale and earned an article in the Bakersfield Californian.

The Chinese Club frolic was one of the whirlwind of dances revealed by March winds.

Through the landscaping plans of the Chinese Club flowers blossomed gaily in front of the Administration Building. Discussing the annual project are officers Diana Chin, Barbara Kinoshita, Pat Yoon, Donald Lee, and Georgina Ming.

With a rich Oriental heritage, the members of CHINESE CLUB sought to develop friendship among members and fellow students of B.H.S. and to serve their school in any capacity. Subsequent to an initiation dinner in October the members participated in school service projects which included distribution of Christmas baskets to needy families. In order to raise money for these service projects the club sponsored an annual semi-formal dance, "Oriental Fantasy." They also held Christmas and Easter parties for members.

Hard work, strenuous exercises, and plenty of energy proved rewarding as the MODERN DANCE CLUB chalked up one of its most successful years. Agile girls with original ideas of choreography were selected after a rigorous and thorough audition. Hours and hours of practice not only helped the members maintain physical fitness but also served as a preliminary guide to their spring concert. The day was anxiously anticipated by all students when Modern Dance Club took its first formal bow of the year at its annual performance. At this time proud artists displayed their marksmanship in a field so widely admired—dance.

Hard work plus true talent equal

To become a member of MODERN DANCE CLUB each girl had to complete one semester of elementary modern dance. They then were required to present an original composition, pass a dance skill test, and secure a majority of votes from the members. Another six weeks of advanced dance was necessary. From this group the members of the Beginning Apprentices were selected. After one year they became Advanced Apprentices. The members demonstrated their skills in their annual Modern Dance Concert on February 26. The club's main goal was to promote a deeper interest in dancing among the students of BHS.

Aquanette goal—the Aquacade.

The advanced swimmers who composed AQUANETTES set a variety of goals for themselves. They strove to improve their skills in individual and synchronized swimming and diving. To further music appreciation was an additional goal included in Aquanettes' program for the first time. Aquanettes' excellent performance in their annual Aquacade "Roman Holiday" proved that these goals were accomplished. With the proceeds from the Aquacade and other projects, Aquanettes purchased new swimsuits and provided a scholarship for a deserving Senior. A major event during the year was a series of elections which resulted from the mid-term graduation of Aquanettes' President.

The TROUBADORS, made up of a select group of boys, stressed music appreciation within their group and performed for different service organizations throughout the community. Under the direction of Mr. Don Lora, they performed at the Spring Festival which was held at Bakersfield High School. They also gave an exceptional performance at the annual Bakersfield High Spring Concert.

BOYS' CHORUS was open to all boys who enjoyed singing and passed an audition. This group of boys sang for school functions. They learned the techniques of singing and music appreciation. The goals of Boys' Chorus were to acquire a broader musical taste, to prepare for more advanced vocal groups, and to learn the background of our modern music.

An outstanding singing talent and an ability to sight-read well combined with a dedication to music were requisites for membership in ADVANCED GIRLS' GLEE. Admission was restricted to girls who had exhibited these qualities in rigorous and highly selective auditions. Advanced Grls' Glee functioned both as a daily class and as an extracurricular organization whose purpose it was to develop the vocal talents of the members, to encourage interest and participation in music, and to serve the school through public performance.

The MADRIGAL SINGERS helped enrich the BHS students' appreciation in the type of music enjoyed in Elizabethan England. The members of this advanced group were selected on the basis of an audition with the instructor, which proved their vocal skills and tone quality. In contribution to county, community, and campus they performed in out of town functions, community activities, and for the student body. Overall, they attained a fine record.

Through long rehearsals and hard work, the CONCERT CHOIR was able to produce almost professional programs during the year. This group of talented singers under the able direction of Mr. Lora rated superior in the county competition held in March. Their performances included the Christmas Assembly and the Spring Concert for the student body and several outstanding programs for the community. This year the group tackled something new and challenging. The members of the choir were given the privilege of singing modern music composed by Mr. Erb. The songs which Mr. Erb composed were written especially for the talented singers of BHS. The principal goals of Concert Choir were to increase the musical interest of the student body and through experience create stage ease and develop the vocal technique of the members.

The Bakersfield High School ORCHESTRA, under the direction of Mr. Ray Van Diest, provided musical entertainment throughout the year for the Bakersfield High student body. At the beginning of the Fall Semester the Orchestra sold chocolate candy bars in order to provide dress uniforms. A Pops Concert was presented in the fall for the student body and an evening performance was held for the community. The Orchestra also provided music for the Christmas Pageant and the Baccalaurate and they played the overture for the Modern Dance Concert. Bakersfield High School was the cynosure for the Contest Festival at which the BHS Orchestra received a superior rating. May 15, 1963, was the date of the Annual Spring Concert which was presented for the student body. For their own entertainment, the Orchestra held a picnic.

The NATIONAL FORENSIC LEAGUE was composed of over 150 students interested in the arts of speech and debate. Under the direction of Mr. Overholt, these conscientious students represented Bakersfield High School in fifteen tournaments, winning numerous awards. Besides being the largest club on campus, NFL was also the largest chapter of its kind in the United States.

VARSITY DEBATE competed in the Southern Valley Forensic League. Members also attended the Los Angeles Tournament for the first time in years. Their year-long topic was "Resolved: the United States should promote a common market for the Western Hemisphere." Angela Metropolus and Andrea Davidson attained honors qualifying for the Santa Barbara state tournament and Angie also qualified for the Houston national contest.

Students promoted cultural arts.

During the ART CLUB meetings scissors clicked and paint brushes stroked skillfully in preparation for the football season. Spirit was promoted through these efforts in the form of pennants. Money earned from selling these banners provided funds for an art field day at Bullocks on February 23. Applying their decorative abilities, the members also enlivened the Administration Building with Yule Tide mosaics.

JUNIOR CLASSICAL LEAGUE was organized in November of 1959 for Latin students at Bakersfield High School. The main project that the club members undertook was tutoring first year Latin students who were having difficulties in mastering the foreign language. This club was a member of the National Classical League, which is comprised of Latin clubs from all parts of the country.

Bob Anderson and Lynn Lenick, members of Junior Classical League, familiarized themselves with Greek and Roman history to increase their interest in the Latin language.

Current news proved vital to BHS.

The Student Body of Bakersfield High School was united and well informed through the efforts of the staff of the BLUE AND WHITE, a weekly newspaper distributed to all activity card holders. Campus news, club functions, and editorials were regular features. The excellent sports page offered a complete report on previous wins, accurate scores, and future athletic events. Adding a different touch to the paper were a streamlined heading and new columns of student interest. By writing original copy and refreshing captions and by soliciting advertising the efficient students of the staff created over thirty issues of the periodical.

Through these numerous duties the students gained knowledge and experience which would later assist them in their future vocations.

The ORACLE STAFF was one of the hard working clubs on the Bakersfield High School campus. Under the supervision of Mrs. Barbara Robesky, thirteen conscientious and diligent students spent an infinite number of hours in preparing the Oracle for publication. Included on the daily agenda were the scheduling of numerous pictures, the writing of original and interesting copy, the selling of ads to prominent businesses of the community, and the arranging of the student index and the senior index in complete and correct order. The ultimate goal achieved by this tedious labor was the creation of a unique yearbook designed to satisfy the entire student body. The editors of the 1963 book strived for perfection and variety by changing the layout of the annual in several distinct ways.

The study of electronics proved rewarding with the increasing importance of that vocation in modern living.

The main project for ELECTRONICS CLUB was re-establishing BHS's amateur radio station W6EM. Through the club's advisor, Mr. Lamb, the members obtained the information and equipment necessary for re-licensing and operating the station. After meetings, members taught radio theory and code to those interested. Field trips were among the club's activities.

"Scholarship for Service" was the motto of the California Scholarship Federation. The FRESHMAN BRANCH, whose members were considered associate members of C.S.F., was an honor society comprised of the top students of the Class of '66. Members participated in a Spring Initiation dinner and the trip which the regular C.S.F. conducted.

Barbara Whisler and Susan Loperena prepared the final draft of the speeches which members of Freshman CFS presented to freshman history classes.

CALIFORNIA SCHOLARSHIP FEDERATION, commonly called CSF by students on campus, was more active than ever this year. Among other things, members of this club sold numerous Rooter Ribbons to Driller enthusiasts during football season, took an educational trip to a California university and library, and promoted better scholastic standards through scholarships and Gold Seals. Membership was available to all students with at least three A's on their semester grades and one activity point from three school sponsored clubs.

The members of VISUAL SERVICE CLUB were chosen on the basis of attendance and dependability. The club trained the boys, so that they could run the various equipment necessary for the showing of educational films in the Visual Theater and the classrooms. They always had stand-by operators ready in case an emergency arose. Co-sponsoring noon movies raised money which went toward the repair and maintenance of their equipment. The club strove to advance the visual aids program at Bakersfield High School.

CAMPUS AFFAIRS developed a working relationship between faculty and students for common goals. Campus pride, nutrition, dress standards, locker shelter problems, and crowding in the lunch lines were discussed. Remedies were recommended and through this committee's diligence some campus situations were improved. The members also conducted the daily check on campus conditions.

Composed of the presidents of all campus affiliated organizations and the vice-presidents of each class council, the ORGANIZATIONS COMMISSION coordinated all club activities to produce a smooth-running calendar of school events. In addition to this function, the Organizations Commission supervised club evaluation and sponsored the annual Miss B.H.S. contest.

Varsity lettermen united together under the auspices of BIG B SOCIETY. This honor society endeavored to improve sportsmanship and campus pride at Bakersfield High. Among the activities of Big B was the Valkyries-Big B fashion show held in November. The traditional Big B dance held February 2, after the BHS-EB basketball game, was climaxed by the crowning of Margaret Actis as Big B Queen. The year's activities were culminated by Sport's Award Night where recognition was given to the services performed by the letterman society.

The Christmas formal held by Boys' IRC was complete in every way.

Dean Pananides, George Hicks, Paul Anderson, and John Francis hand-picked the ravishing beauties from Boys' IRC for the chorus line in "A Date with Sal".

BOYS INTER-RACIAL COUNCIL consisted of boys representing a cross-section of the various races which made up the student body of Bakersfield High School. The new members were recommended by teachers and voted into the club. They worked in unison with Girls IRC on the talent show, had their annual steak bake, and participated in the yearly joint meeting with the girls' club. This group of boys proved to the community that cooperation among the races can be a great asset to everyone.

Members of GIRLS' INTER-RACIAL COUNCIL were dedicated to the study of inter-group problems and service projects. The two main social activities of the year were the Christmas Formal, highlighted by the crowning of the Snow Prince and Princess, and the IRC Assembly, "A Date With Sal." Qualifications for membership in IRC were a C average, a teacher's recommendation, and an interest in promoting better racial relations among the numerous races represented on campus.

The admirable virtue of brotherhood was stressed by Girls' IRC officers Mary Jane Anderson, Anne Lundy, Mary Disney, and Marlena Tatsuno.

In the annual assembly, "A Date with Sal", members of Girls' IRC found themselves in unusual situations and distant continents.
